#### REGULAR

REPORT DATE: June 9, 2022 BOARD MEETING DATE: July 6, 2022 BOARD REPORT # 2022-R018

TO:	Surrey Police Board		
FROM:	Chief Constable	FILE:	60550-20-03
SUBJECT:	Surrey OCC and E-COMM 911		

#### **RE-COMMENDATION**

The Chief Constable recommends that the Surrey Police Board (the "Board") receive this report for information.

#### BACKGROUND

Municipalities in BC are responsible for providing 911 and non-emergency call taking and dispatching as part of comprehensive police services. Municipalities may provide these services through their own Operational Communication Center (OCC), use one of the RCMP's provincial OCCs (outside of Metro Vancouver), or contract the services to E-Comm (Emergency Communications for BC). In the Metro Vancouver region, four municipalities provide their own internal OCCs: Surrey, Langley, Coquitlam, and North Vancouver. These OCCs are staffed with municipal employees and are managed by the City's Police Support Services. The remaining police agencies in Metro Vancouver contract these services to E-Comm.

#### DISCUSSION

#### 911 PSAP (Public Safety Answering Point), Call-Taking and Dispatch

E-Comm is the primary answering point for all 911 calls placed in BC. Initial 911 call screening is contracted to E-Comm by the Regional Districts who fund the service through property taxes and other methods such as call-answer levies. Once received at E-Comm, 911 calls are screened for police, fire or ambulance. E-Comm Operators either downstream calls to the appropriate agency or retain the call for processing if the agency and jurisdiction are contracted to E-Comm.

When E-Comm receives a 911 call from a person requiring police assistance in Surrey, the caller is downstreamed to Surrey OCC where municipal staff record the details and dispatch the police. All non-emergency calls for police in Surrey ring directly into the Surrey OCC and are not managed by E-Comm.

#### **Radio System**

In addition to managing 911 services, E-Comm also provides and manages the radio system infrastructure across Metro Vancouver for police, fire, ambulance and other critical services. All participating agencies pay a levy to E-Comm to cover the costs for system maintenance and leases of radio equipment including dispatch consoles, mobile (in-vehicle) and portable radios connected to the system. The E-Comm Wide-Area Radio Network is a multi-jurisdictional radio system covering Metro Vancouver and parts of the Fraser Valley. The E-Comm radio system provides enhanced coverage, interoperability, clarity and reliability through an earthquake resistant infrastructure and enhanced security.

#### CONCLUSION

The above matters are for the Board's awareness and information.

REGULAR

REPORT DATE: June 9, 2022 BOARD MEETING DATE: July 6, 2022 BOARD REPORT # 2022-R019

TO:	Surrey Police Board		
FROM:	Chief Constable	FILE:	60550-20-03
SUBJECT:	Mental Health - New Brunswick Coroner's Jury Recommen	dations	

#### RECOMMENDATION

The Chief Constable recommends that the Surrey Police Board (the "Board") receive this report for information.

#### BACKGROUND

On May 20, 2022, the Attorney General of New Brunswick posted the Coroner's Jury recommendations following the police shooting death (June 4, 2020) of Chantal Moore, in Edmundston, New Brunswick. Ms. Moore was fatally shot by a police officer that was responding to a request to check on her welfare.

The Jury's recommendations pertain to police interventions, training, and equipment. While it is important that all police agencies review and learn from these recommendations, this information is critical to consider as SPS builds its capacities, training and relationships. In particular, respecting the development of our Indigenous policing strategy, policy on mental health and wellness checks, training, and availability of less-lethal enforcement tools.

#### RECOMMENDATIONS

The five-member Coroner's Jury heard from 16 witnesses during the inquest and made a number of recommendations. Some of the recommendations, including those respecting independent oversight, are already well managed in BC. Each recommendation is followed by SPS' strategy to address the issues.

#### General

- That New Brunswick have one independent agency to oversee serious incidents involving the use of force by police, and;
- That a clear, concise protocol is in place for activating the process of an independent review of serious incidents
  - In BC, these events are investigated by the Independent Investigations Office (IIO) and the Office of the Police Complaints Commissioner (OPCC)

- That officers be assessed on their comprehension of current procedures and policies
  - SPS is utilizing the Learning Management System (LMS) through the Canadian Police Knowledge Network (CPKN) to ensure officers review and understand policies, and attest to their understanding
- That police undertake relationship-building actions with First Nations communities, including cultural sensitivity training and having a First Nations community liaison
  - SPS is currently building our Indigenous strategy and working towards creating a standalone Indigenous Wellness Unit
  - SPS is working toward creating an Indigenous cultural safety training program
  - Cultural sensitivity training is in development, both for onboarding exempt officers and for new recruits in Block 2, during core patrol training

#### Training

- That police officers should be trained and maintain certification in standard CPR and first aid
  - All SPS members receive AED/CPR training and certification and will re-certify every 3 years
- That police officers should be trained and provided the necessary equipment to provide combat casualty care
  - All SPS members are completing a full day of operational medicine training which covers the following:
    - Tourniquet application
    - Chest seal application
    - Wound packing training
    - Combat casualty care
  - All frontline SPS members are provided with an individual first aid kit which includes:
    - Tourniquet
    - Chest Seal
    - Israeli Bandage
    - Scissors
    - Wound packing gauze
- That officers be provided with crisis intervention/de-escalation training
  - o ALL SPS members complete the BC Crisis Intervention/De-escalation (CID) course
  - In addition to the standard CID training, all SPS members complete an 8-hour training day on Integrated Communication and Tactics (ICAT)
    - This training expands on the standard CID course and layers on proper police tactics to slow down and be able to use CID techniques to attempt to resolve a situation
    - This training is conducted with paid professional actors to allow the scenarios to be as realistic as possible

- That officers be provided scenario training that emphasizes situational awareness and repositioning and disengagement options
  - The ICAT training emphasizes positioning members appropriately to create time and distance to allow for members to attempt to de-escalate the situation. Other options are also discussed during scenario training, such as disengagement options

Policies

- That police policy on medical emergencies be reviewed, and:
- That police policy on providing first aid after force has been applied be reviewed so that officers begin emergency medical aid as soon as possible and continue that aid until medical responders arrive and take over
  - During the Operational Medicine Training Day, this topic is discussed. During immediate rapid deployment (IRD) training, casualty collection points (CCP) are set up as soon as possible and members are trained to shift, once there is no longer an immediate threat, to providing first-aid to injured victims
- That police be provided training about the proper procedures following a serious incident involving serious injury or death and that front line supervisors be provided training on the critical aspects of immediate scene command and control to ensure the integrity of evidence and witnesses
  - All SPS members receive an 8-hour training day on Incident Command where scene command is taught
  - OSU is also running an in-house 5-day course for all frontline supervisors
- That police have a policy on the maintenance of equipment and the reporting of broken or nonfunctional equipment
  - Inventory control reports directly to the Operational Skills Unit (OSU) any broken or nonfunctional equipment. OSU then attends and deals with the equipment
- That police have a policy mandating the wearing of use-of-force equipment
  - SPS Use of Force policy sets out lethal and less than lethal equipment issued to Members and requirements for what members may carry. Professional Deportment policy sets out requirements for Members to carry use of force equipment

#### **Best Practices**

- That officers have more access to less-lethal tools
  - SPS provides all frontline members with access to Conducted Energy Weapons (CEWs)
  - SPS has the 40mm less lethal launcher accessible for frontline members from inventory control
- That police agencies have a process in place to learn from and make continuous improvement after every use-of-force event
  - All Subject Behaviour-Officer Response (SBOR) Reports are reviewed by OSU to ensure there are no gaps in training or additional training needed

- Every critical incident regardless of the outcome, requires a debrief to ensure compliance with policy, best practices, and wellbeing of Members
- That protocols, where possible, require a minimum of two officers respond to mental health and welfare check requests
  - SPS Check Wellbeing policy requires two members to attend these calls. It also requires an assessment of whether police and mental health services or other agencies may be required in addition to, or instead of, police attendance
- That officer training reinforces the importance of making verbal police announcements
  - SPS CID training focuses on effective communication strategies, ensuring people know they are dealing with a police officer
  - SPS Search Warrant policies require announcement of police presence prior to entering a premises unless exigent and emergent issues justify a "no knock" entry

#### CONCLUSION

Police Officer training and compassionate response to calls are of the utmost importance to SPS. Ongoing attention, research and program development will ensure that SPS is a leader in police training and service.

		<b>BOARD REPORT #</b>	2022-R020
TO:	Surrey Police Board		
FROM:	Executive Director	FILE:	60550-20-02
SUBJECT:	CAPG Sponsorship Request		

#### RECOMMENDATION

The Executive Director recommends that the Surrey Police Board (the "Board") consider sponsoring the Canadian Association of Police Governance conference (CAPG) as a 'Peer Sponsor' at value of \$500.

#### DISCUSSION

The Surrey Police Board is a member of the CAPG and realizes a number of benefits from membership including training and education resources and access to a network of board members, commissioners and executive directors from across Canada. The Board will soon be the oversight body of one of the largest municipal police agencies in BC, and the learning and networking opportunities of the CAPG are invaluable.

This year, the CAPG conference is planning for an in-person conference and is hosted by the Saskatoon Board of Police Commissioners. The conference theme is 'Community Partnerships and Engagement' and the sponsorship package can be found in Appendix I.

The sponsorship range is from \$10,000 to \$250 and it is recommended that the Board support the CAPG conference by way of the \$500 'Peer Sponsor' category.

#### CONCLUSION

Once the Board decides, the Executive Director will follow up with the CAPG.

Surrey Police Board 13450 104 Avenue, Surrey, BC V3T 1V8

Dear Chair McCallum,

#### RE: Support for the 33<sup>rd</sup> Annual Conference of the Canadian Association of Police Governance

On behalf of the CAPG Board of Directors and the Conference Planning Committee, I am writing to request your support for the 33rd Annual Conference of the Canadian Association of Police Governance (CAPG). The Conference, hosted by the Saskatoon Board of Police Commissioners will take place in Saskatoon from September 9-11, 2022 with a virtual option to accommodate any budget or travel constraints.

"COMMUNITY PARTNERSHIPS & ENGAGEMENT" is the theme of our conference. This year, delegates will be given the opportunity to explore the various ways other police boards and services have collaborated creatively and meaningfully to cultivate safer communities. Our thoughtfully curated program aims to leverage the insights you have given us into police governance, along with that of policing leaders and emerging figures in the field, to give delegates a firm foundation on which to make informed policy decisions that enhance public safety.

The planning committee is asking for your support to help us offset the cost of putting on this first-rate conference. The funds raised in support of our annual conference are used to help minimize the cost for members to attend, offset the substantial expenses associated with delivering an in-person event, and support marketing and outreach activities to communicate with our community. In return, we offer our sponsors recognition on our website and other marketing materials as well as during the event, both at the venue and on our virtual platform. This is a unique opportunity for the Surrey Police Board to showcase its leadership in governance on the national stage.

Our members have shown a great deal of generosity and commitment throughout the years by contributing varying amounts of funds. There are several exceptional sponsorship opportunities

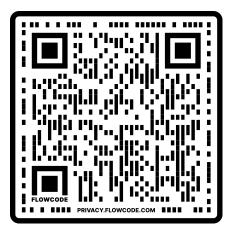

www.capg.ca

available that have been tailored to a combined virtual and in-person experience that provide a high level of visibility for your organization. You can review our 2022 Prospectus to find a package that fits your organization's budget and preferences.

We are sincerely grateful for any contributions you can make. We commit to making the conference experience unique and rewarding for everyone who attends. I look forward to your positive reply.

Sincerely,

### CAPG Conference SASKATOON 2022

Hosted by SASKATOON BOARD OF POLICE COMMISSIONERS

## CAPG's 33<sup>rd</sup> Annual Conference

#### September 7-11, 2022 Delta Bessborough, Saskatoon, SK

The CAPG/FNPGC Conference is the leading event in the police governance sector. The Annual CAPG Conference is held over a three-day period during which delegates are encouraged to network, discuss, engage, and discover the rich community we continue to foster. With a primary focus on building capacity, the FNPGC has developed a one-day national conference in addition to the CAPG conference for self-administered First Nations Police Governance Authorities, Commissions and Community Consultative Committees.

In 2020, the pandemic forced us to move from a physical experience to a virtual one. Engaging our delegates in meaningful ways required adjusting our programs and seeking help from experts. We were thrilled to have registered over 400 delegates for our 2020 virtual conference which proved to be a huge success. In 2021, we held a second, even more popular virtual conference.

This year, we will return to our highly regarded in-person conference format. However, to maintain the affordability, ease, and interactive nature of our virtual events, we will simultaneously offer in-person and virtual options to our delegates.

#### RECOMMENDATION

The Finance Committee recommends that the Surrey Police Board receive this report for information.

#### PURPOSE

This report presents a summary of 2022 year-to-date expenditures incurred up to the period ended May 31, 2022.

#### BACKGROUND

The Five-Year Financial Plan 2022 – 2026 adopted by City Council in December 2021 provided the 2022 budget allocations for policing services, which included the annual budget for SPS and the one-time policing transition project budget.

The City's 2022 – 2026 operating budgets for policing is presented in the following table (in thousands):

	2022	2023	2024	2025	2026
SUMMARY	BUDGET	BUDGET	BUDGET	BUDGET	BUDGET
Policing Services Operating Budget	\$ 194,807	\$ 202,465	\$ 211,015	\$ 216,160	\$ 221,459

For 2022, \$72.53M was allocated to SPS; \$96.66M for the RCMP and \$25.62M for City Police Support Services. SPS' budget is detailed as follows:

	2022 Budget
Remunerations, Salaries and Benefits	\$48,862,320
Other Expenditures	25,587,666
Federal Subsidy	(4,200,000)
2022 Capital	2,275,000
	\$72,524,986
2021 Capital Carry Forward/Reserve	\$ 2,275,000
Total Available	\$74,799,986

In addition to the budget for regular SPS operations above, \$63.68M has been allocated by the City for the one-time policing transition to SPS, presented in the following table (in thousands):

	2020	2021	2022	2023	2024	
SUMMARY	BUDGET	BUDGET	BUDGET	BUDGET	BUDGET	TOTAL
One-time Policing Transition	ć 25 200	ć 22.004	¢ г 400	ć roco	ć 5.000	¢ c2 c04
Project	\$ 25,200	\$ 23,084	\$    5,400	\$    5,000	\$ 5,000	\$ 63,684

The available funds for one-time policing transition expenditures during 2021 was \$43.72M (including carried forward amounts from 2020), of which \$28.12M was unspent and carried forward into 2022. The 2022 budget allocation for the transition project is \$5.40M; a total of \$33.52M is available for 2022, presented in the Discussion section below.

SPS and the City of Surrey are working collaboratively with both the Province of BC and the Government of Canada on the policing transition. The specific timing of SPS becoming the police of jurisdiction is dependent on decisions made by all three levels of government, which may affect the timing of expenditures.
